

# Autism Spectrum Disorder (ASD) Resources - Toronto

Revised October, 2022

*Please note that due to COVID-19 many services are being offered virtually*

## **ASD Specific Services**

### **Ontario Autism Program (OAP)**

Telephone: 1-833-425-2445 E-mail: [info@AccessOAP.ca](mailto:info@AccessOAP.ca)

Website: [www.ontario.ca/page/ontario-autism-program](http://www.ontario.ca/page/ontario-autism-program)

Eligible for children and youth (up to 18 years old) who have been diagnosed with autism spectrum disorder (ASD) by a qualified professional living in Ontario.

- **AccessOAP:**

Telephone: 1-833-425-2445 E-mail: [info@AccessOAP.ca](mailto:info@AccessOAP.ca)

Website: [www.accessoap.ca](http://www.accessoap.ca)

Program Service Coordinators can help families learn about the OAP and support families to connect to services in the community (service navigation).

- **Foundational Family Services:**

Free caregiver workshops, individual caregiver coaching and support groups for caregivers and siblings.

**Surrey Place** [www.surreyplace.ca/directory/autism-services/foundational-family-services](http://www.surreyplace.ca/directory/autism-services/foundational-family-services)

The online childcare locator allows families to find a licensed childcare centre close to home. Once registered in a childcare centre, a resource consultant may be available to provide guidance to childcare staff on how to support a child's needs within the program. Speak with the childcare supervisor/director about accessing this service.

- **Child Care Fee Subsidy**

Financial assistance may be available to help families with the cost of childcare. The subsidy is based on family income. Complete the subsidy calculator online or call to determine eligibility. Once application for subsidy is complete fax or e-mail written confirmation of child's diagnosis to assist with application process.

## **School**

### **Special Education Program Placement and Recommendation Committee (SEPRC)**

A committee made up of school staff that meet with caregivers before Junior Kindergarten entry to determine whether or not an intensive support special education program (ISP) would be appropriate. Caregivers can request a SEPRC at time of Kindergarten registration.

### **School Support Team (SST)**

A committee made up of school staff and special education professionals. During the SST meeting, student strengths and needs are discussed and a plan to support the student is developed. A plan may include recommendation for an IEP and/or referrals to professionals for further assessment, consultation or intervention. Caregivers can request a SST at anytime during the school year.

### **Individualized Education Plan (IEP)**

A written plan that describes special education programs, services, accommodations or modifications for a student with specific learning needs. It is based on a student's profile of strengths and needs. IEP is developed in consultation with staff, caregivers and student, where appropriate. Caregivers can consult with the teacher to create an IEP.

### **Identification, Placement and Review Committee (IPRC)**

A committee made up of school staff and special education professionals. The committee determines the type of "exceptionality" for a student and suggests an appropriate program or setting for the student. This could include providing support in the regular class with extra resources or withdrawing the student to a special education class for part or all of the school day. IPRC meetings take place at least once a year. Caregivers can request an IPRC through the school's principal.
