J. BOARD OF EDUCATION

1. Excellence, Equity and Access Resolution

Franklin Turner moved to approve the following resolution:

Whereas: Montclair Public Schools' Mission and Vision clearly state we strive to ensure that every child receives a high quality, creative, innovative and challenging education that will prepare our students for college, careers, and livelihoods in the 21st century; and

Whereas: Montclair Public Schools will pursue excellence, equity and access for each student in the district by ensuring there are multiple pathways to meet and/or exceed educational goals; and

Whereas: Equity and equality are not interchangeable terms. The concept of educational equity goes beyond formal equality -- where all students are treated the same -- to fostering a barrier-free environment where all students, regardless of race, ethnicity, and/or socio-economic status, have the opportunity to benefit equally. We believe that equity must be measured by access and outcomes; and

Whereas: Montclair Board of Education acknowledges that race and ethnicity status has been a predictor of student achievement in the Montclair Public Schools. Further, the Montclair Public Schools' data shows that not all students are achieving at their full potential. We assert that addressing disparities in educational access and opportunity are the responsibility of every adult in the Montclair Public School district, and not the responsibility of our children. Inequality in outcomes will be addressed through the implementation of systemic structures to support all students within our school system. An explicit focus must be given to students who have not been given access and opportunity based on race, ethnicity and/or socio-economic status; and

Whereas: The Montclair Board of Education recognizes that over several decades from the 1970's to the present the school district has responded to the public call for more equitable access to quality education for all students, in particular those students who have experienced discrimination by race, ethnicity or socio-economic status. The district has responded to both this public call and court orders to desegregate schools by studying, reflecting and creating programs whereby all students have a pathway to success. Many members of the school community as well as the community at large have contributed to these discussions during these decades and to the implementation of programs that worked towards creating and sustaining these equitable opportunities.

Whereas: The Montclair Board of Education recognizes the 2015 Report of the Achievement Gap Advisory Panel as a valuable resource that provides quantitative and qualitative findings that documents Montclair Public Schools' students have vastly different experiences in our classrooms based on race and said report findings could be used as baseline data points for academic achievement planning; and

Whereas: the Montclair Board of Education has committed leadership; articulated goals to create multiple pathways that will promote academic and social emotional success eventually leading to the elimination of achievement disparities in outcome data; and dedicated fiscal resources to attaining this goal; and

Be It Resolved: The superintendent shall develop a shared excellence, equity and access vision with a clearly delineated pathway outlined in a 5-year plan by September 1, 2018. Said plan should include specific benchmark objectives for the 2018-19, 2019-20, 2020-21, 2021-22 and 2022-23 academic years. The plan should include gap data (i.e., gap data includes but is not limited to achievement, program

participation, climate and culture – student, staff and parents/guardians); scope of work including specific actions required, interim deliverables and outcome measurements; and required funding. Progress will be assessed and publicly reported each academic year with benchmarks and fiscal resources adjusted annually to ensure that benchmark objectives are fully achieved.

Be It Further Resolved: that upon the recommendation of the Superintendent that the Montclair Board of Education recognizes that this is a complex task and invites feedback from the Administration regarding how this task is best defined and undertaken.

2. Exploring Eligibility for Public Preschool Expansion in the Montclair School District

Franklin Turner moved to approve the following resolution:

WHEREAS, high-quality preschool programs aligned to PK-2nd grade standards help prepare children to do their best; and

WHEREAS, ensuring access to high-quality preschool for 3- and 4-year-olds is a sound educational investment; and

WHEREAS, Montclair, NJ was a leader in the state in implementing a high-quality early childhood preschool program; and

WHEREAS, during their K–12 years and beyond, children who attend high-quality preschool tend to perform better on achievement tests in reading and math; exhibit more positive behaviors in the classroom; are more likely to graduate from high school, continue their education and be more prosperous as adults; and

WHEREAS, the Montclair Board of Education voted on Board goals for 2017-18 that included Goal 2 “be responsible for setting policies that prioritize and support growth for all students” and Goal 5 “Make

measurable progress to becoming a district where race, ethnicity, and/or socio-economic status do not predict student achievement” and both of these goals apply to exploring the provision of high-quality publicly supported preschool; and

WHEREAS, high-quality preschool programs are beginning to be funded adequately through NJ State Pre-School expansion dollars that seek to assure adherence to established standards of quality; be inclusive of children with special needs; be offered in culturally, ethnically and linguistically appropriate settings; be clearly articulated with the K-12 system and programs serving younger children; be linked to full-day, affordable early care and education programs to meet the needs of working families; and be subject to research-based evaluation to assure desired outcomes for children; and

WHEREAS, New Jersey law permits school districts to charge tuition for high-quality preschool for families able to afford such tuition and for students not otherwise eligible for free or reduced cost preschool; and

WHEREAS, the Governor has included preschool expansion aid in his proposed 2018 budget and has promised to include such additional funding in the future; and

WHEREAS, the Board of Education currently supports preschool both by providing mandatory programs and services to children with special needs in the Montclair School District and by providing space to the Montclair Community Pre-K, and the Township of Montclair provides funding to the Montclair Community Pre-K to permit the enrollment of students whose families could not otherwise afford preschool; and

WHEREAS, the Board of Education seeks to identify children not currently enrolled in high-quality preschool to assure that all students, regardless of the ability of the family to pay, are able to enroll in high-quality preschool in Montclair if the child’s family so desires, and

WHEREAS, should State funds become available to support the costs of high-quality preschool for families who are unable to afford such costs, the Montclair Board of Education would like to assure that its students are eligible for such funds,

NOW, THEREFORE, BE IT RESOLVED that the Board of Education in Montclair supports state, local, and federal efforts to invest in voluntary, high-quality preschool for all 3- and 4-year-olds by requesting the Superintendent begin the process of exploring how incorporating a publicly supported Montclair preschool program, as outlined above, could take place and how such program might be eligible for additional State and/or Federal funds.

BE IT FURTHER RESOLVED that upon the recommendation of the Superintendent, the Board of Education requests the Superintendent to explore how to increase voluntary access to high-quality preschool for 3- and 4-year-olds in a variety of settings, including schools, child care centers, Head Start programs and family child care homes.

18. Authorization of Award of Contract for Broker of Record for Property and Casualty Insurance and Workers Compensation

Franklin Turner moved to approve the following resolution:

WHEREAS, there exists a need for specialized insurance coverage and consultant services by The Board of Education of the Township of Montclair in the County of Essex, New Jersey (the "Board"), a body corporate of the State of New Jersey; and

WHEREAS, it is not reasonably possible to draft specifications for such services and therefore are deemed to be extraordinary and unspecifiable, and the Scirocco Group Insurance has the expertise, extensive training, experience and proven reputation and has demonstrated capability and valuable assistance in providing such advice and services; and

WHEREAS, funds are or will be available for this purpose;

BE IT RESOLVED THAT UPON THE RECOMMENDATION OF THE SUPERINTENDENT THAT THE BOARD OF EDUCATION OF THE TOWNSHIP OF MONTCLAIR IN THE COUNTY OF ESSEX, NEW JERSEY APPROVES THE FOLLOWING:

1. The firm of Scirocco Group Insurance shall be retained as Broker of Record for Property and Casualty Insurance and Workers Compensation in accordance with an agreement submitted to the Board (the "Agreement") subject to review by and with such modifications and adjustments approved by the Business Administrator/Board Secretary.
2. The Agreement is being awarded for the 2018-2019 school year from the period 7/1/18 through 6/30/21, without competitive bidding as an extraordinary unspecifiable service in accordance with the Public School Contracts Law, N.J.S.A. 18A:18A-5(a)(10) and N.J.S.A. 40A:11-5(1)(m), with two optional one-year extensions or one two-year extension, at no direct cost to the Board. A copy of the certification required pursuant to N.J.S.A. 5:34-2.3(b) is attached hereto.

3. A notice in accordance with the Public-School Contracts Law of New Jersey in the form attached hereto shall be published in the Montclair Times.
4. A copy of this resolution as well as the Agreement shall be placed on file with the Business Administrator/Board Secretary of the School District.

CERTIFICATION

The foregoing is a true and complete copy of a resolution adopted by the Board of Education at a meeting thereof duly called and held on June 18, 2018
